GOOD FAITH AND CANDOR LETTER
REGARDING PATENT TERM ADJUSTMENT

The Applicant respectfully notes that the patent term adjustment calculation appears to award an excessive term adjustment to the Applicant.

The Applicant believes the correct patent term adjustment calculation is 709 days. The error appears to result from an incorrect entry in the PAIR system, which indicates that a response to the December 14, 2007 Office Action was received by the Office on March 16, 2008. The response was actually received by the Office on March 17, 2008 as indicated by the attached photocopy of the postcard accompanying the response.

The Applicant respectfully requests correction of the patent term adjustment calculation, as well as an opportunity to review any new patent term adjustment calculation.

The Commissioner is hereby authorized to charge any fees connected with this communication or credit any overpayment to Deposit Account No. 50-0208.

Respectfully submitted,

MUNCK CARTER, P.C.
